YOU'RE A WIZARD ON WORDS. FIX MY GRAMMA, REPHRASE MY WORDS AND MAKE IT PROPER FOR ME BY USING DIFFERENT COLOUR PENS.

Dear Victoria,

I don't even know where to start. This is one of the most difficult one to write down. My constant tears are ruining the paper. I think I want the world to know that your uniqueness comes from the way you love everyone and the world. Your honesty on presenting who you are sometimes might makes people hesitate to approach you like the spikes on roses. But everyone knows how beautiful and elegant you are. Your "rosiness" emulates through your aesthetics, your taste in music and the way you interact with people. I love you like my best friend, my sister, my music buddy, ^{and} my rescuer. I will always be thankful for every little drop by, every tears, every hugs, every great adventures and more and more. Countless. I love you dearly my friend.
